

THE MORE, THE BETTER.

The strength of any organization lies mainly in the quality of its members.

For over 50 years, the Academy has been recruiting those Environmental Engineers who have demonstrated their abilities and understood the value of Specialty Certification.

You, our current Board Certified Environmental Engineers and Board Certified Environmental Engineering Members, are the Academy's best Ambassadors and Recruiters. You know who among your colleagues are deserving to become **Board Certified**.

We want to raise the visibility of the Academy and its members. To help us achieve that goal, the Academy asks you to help another engineer become specialty certified and a BCEE or BCEEM of the Academy.

Thank you for your continued help and support.

YES, I will help a friend succeed professionally by becoming a **Board Certified Environmental Engineer** or **Board Certified Environmental Engineering Member**! Please send an application to:

Name _____

Title _____

Company _____

Address _____

City _____ State _____ Zip _____
